Jesus. I am glad we ended the EA, but it would have been more appropriate if we waited until Friday? 44 hours after the vote seems unseemly. 4:38 PM
No, we needed to stay ahead of the NDP and senators were saying that they would vote against based on their view that there was no longer an emergency. 5:03 PM
D'accord. Thank you for answering my very political question.
It raises the substantive one: are there reasons to continue the emergency measures? 5:08 PM
There are still threats. But police authorities say they can handle 5:16 PM
Good. Thanks. 5:16 PM
